1977 HUALAPAI

Volume 8

***Kingman High School
Kingman, Arizona 86401***

Dedication

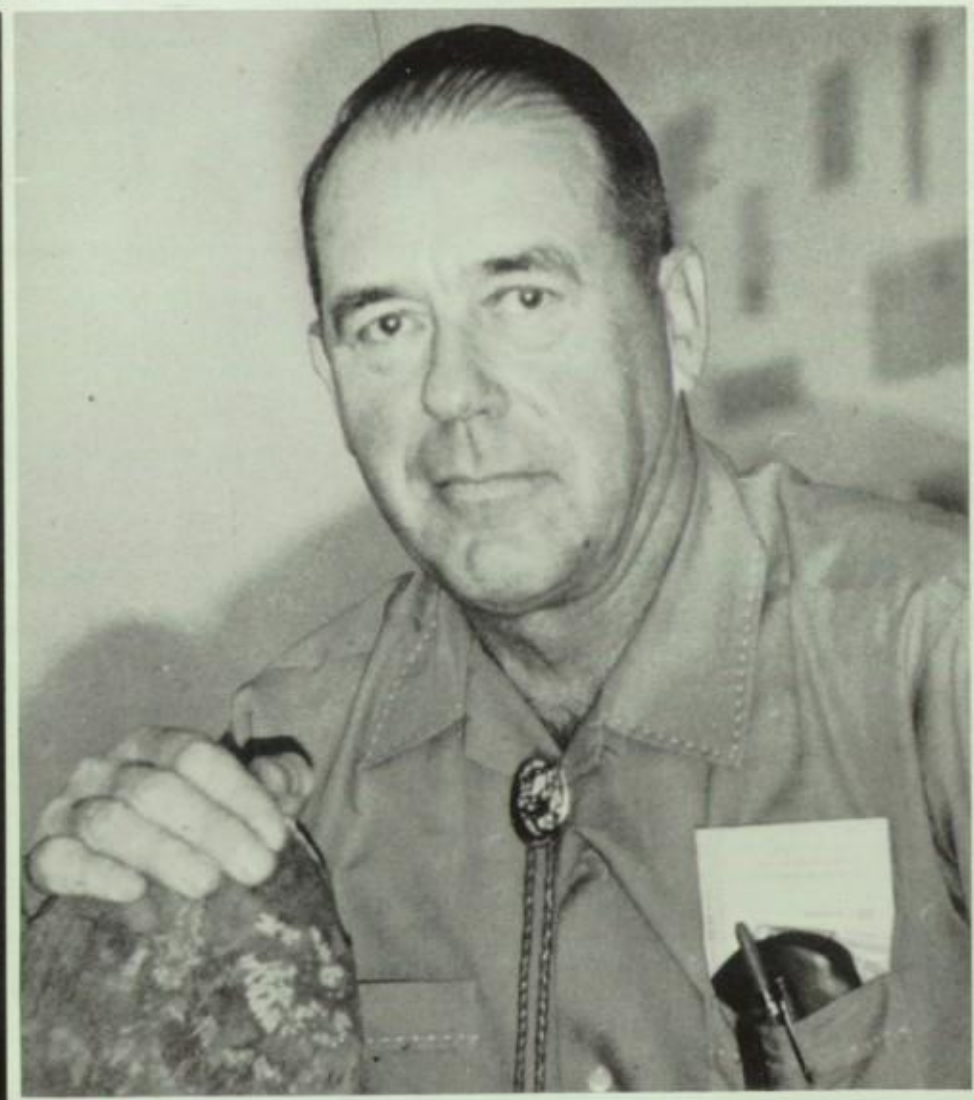

Though we still,
have so far to go, and
our dreams to reach for;
there is also a moment
to stop and realize what
we can become.

There are men who have
reached the top, and have
not been successful.
There are also men,
who are successful, but
have not reached the top.
There is a man,
a very special man,
that has succeeded in
reaching for, and grasping
his dream.

And even in the time
of his life, he has experienced
all that would satisfy an
ordinary man.

But he continues to reach,
farther and farther,
because he is not an ordinary man.
That is why,
Mr. Bill Musgrove,
this 1977 Hualapai is dedicated
to you.

Dedication

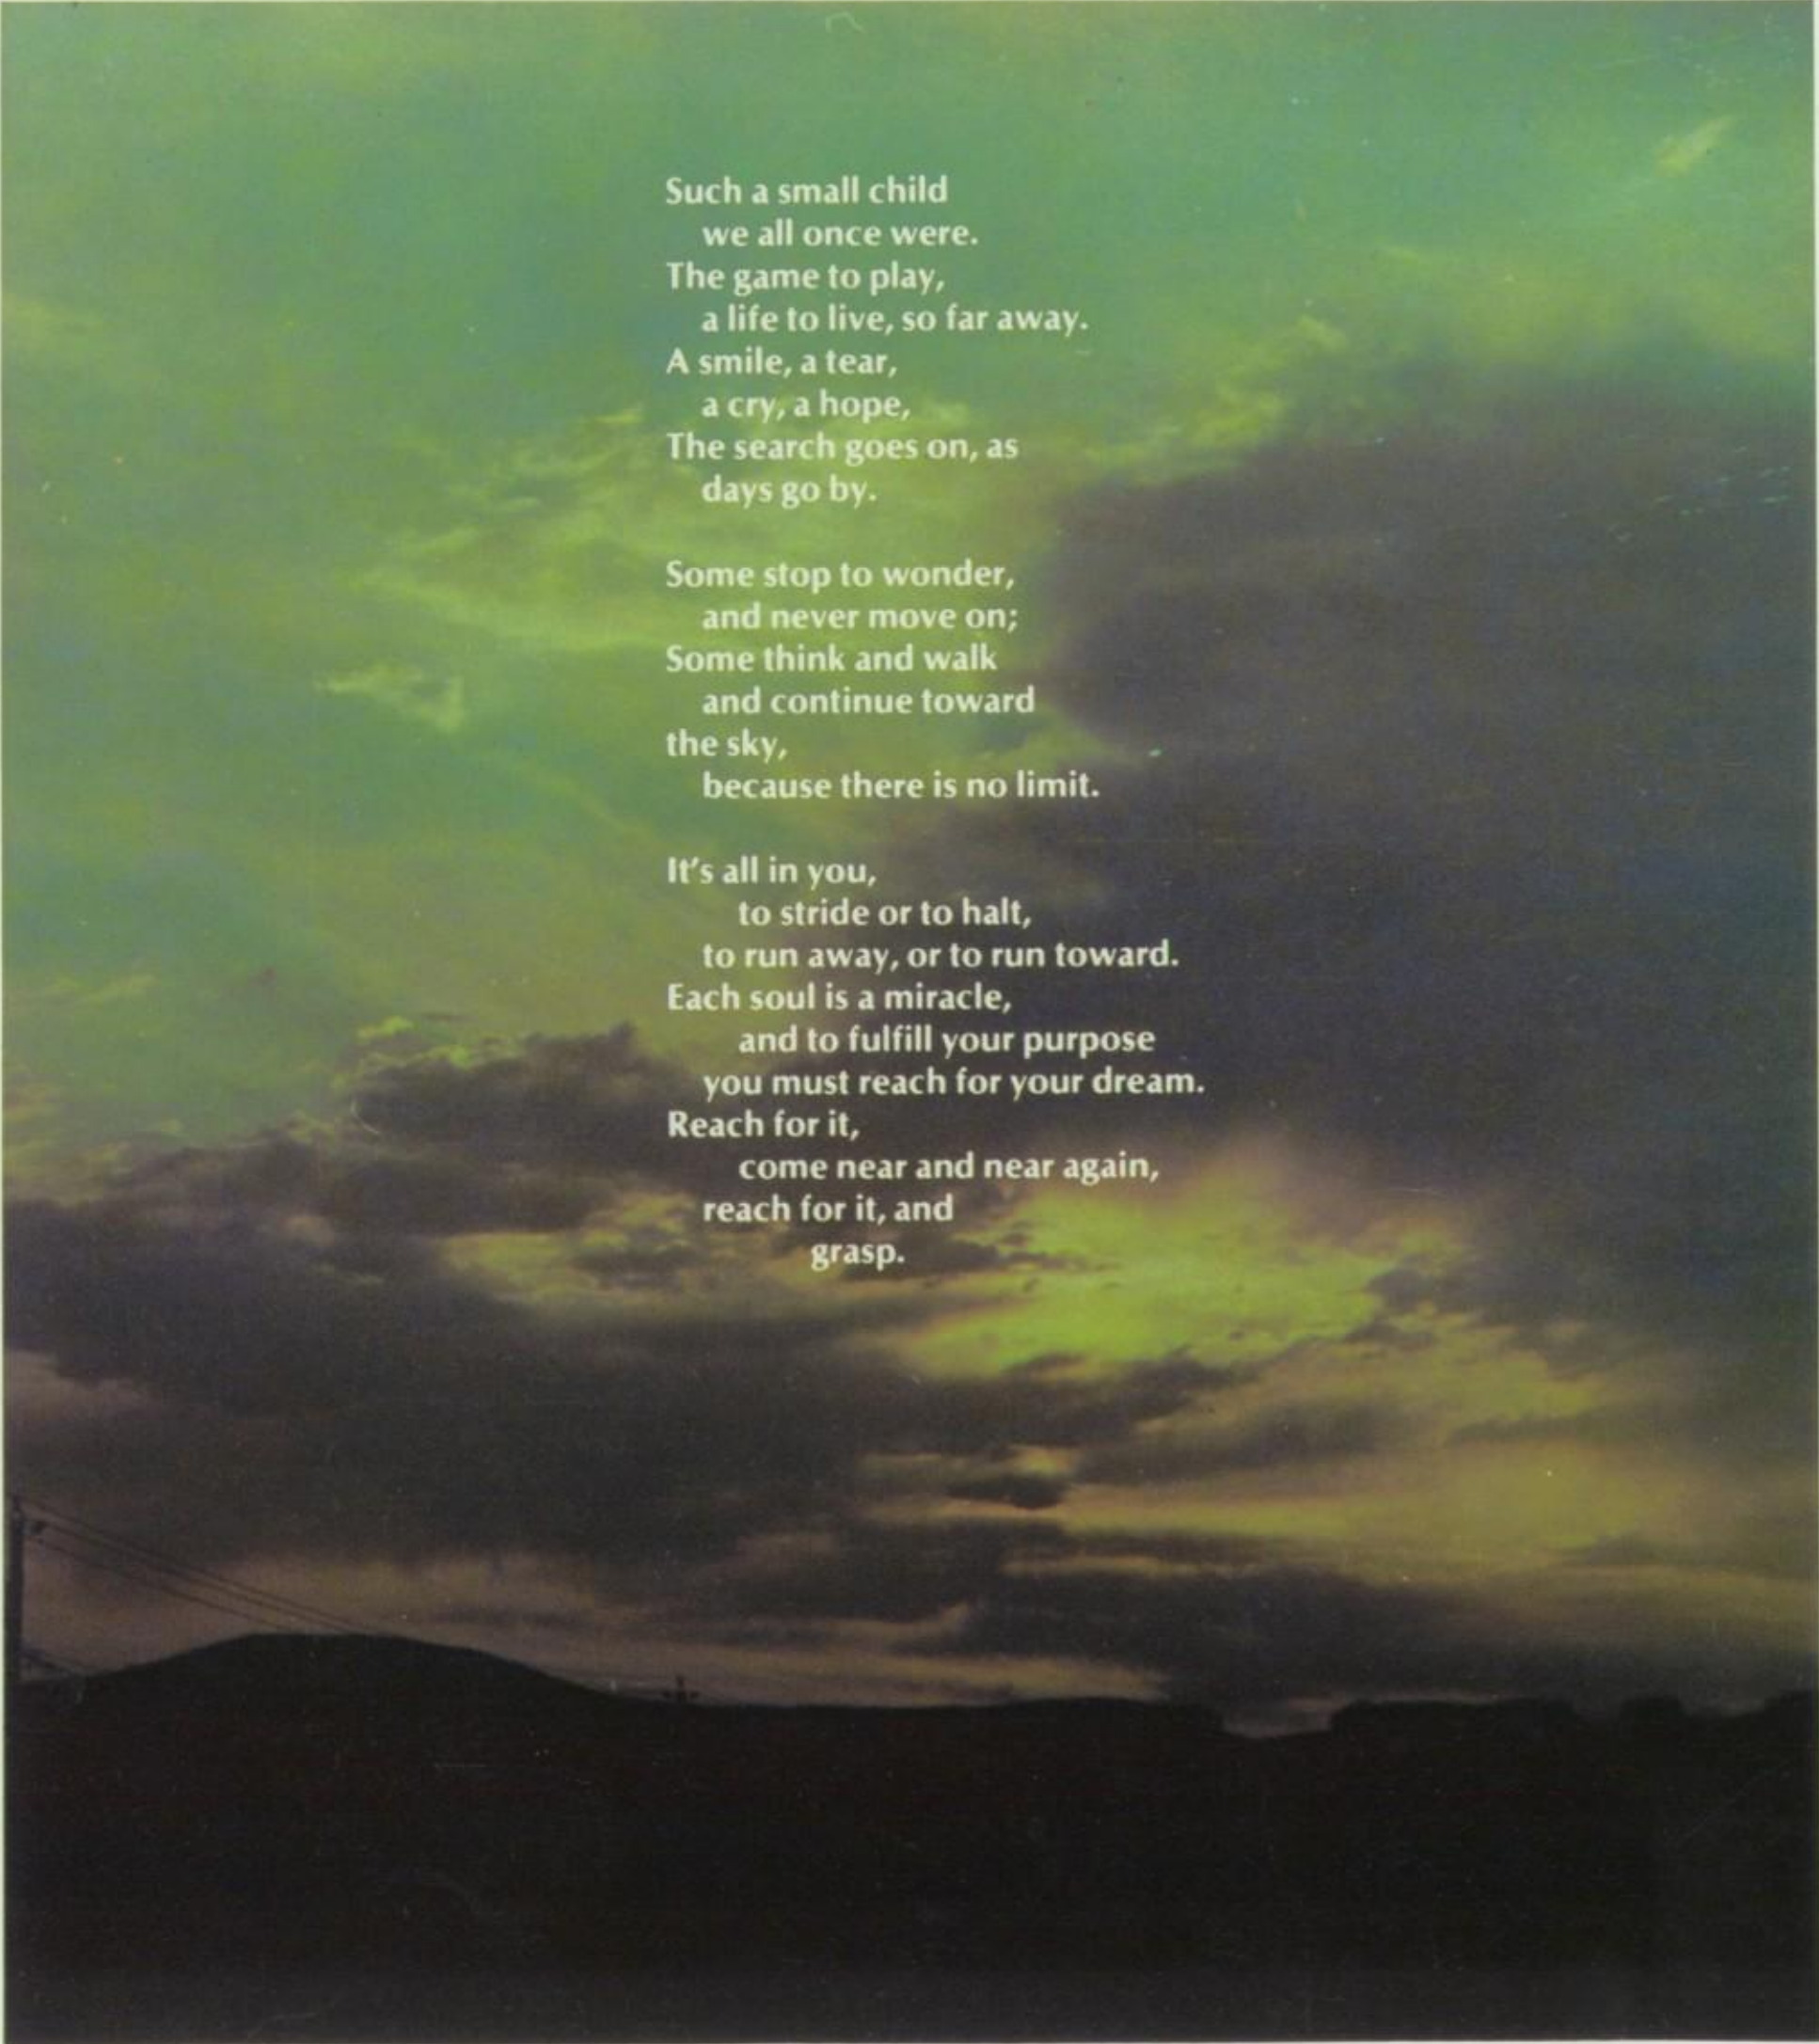

A teacher, a sponsor,
a companion, a friend.
He's come so far,
in such a short time.
The dream is within reach
of his outstretched fingers.
It won't be long now.

The work, the
skill required,
makes no difference now.
Determination is the deciding factor.
and
with that, all goals can
be reached.

Many years fall behind him,
as he walks the
path of life,
the years marked by the
perfection within them.
Only a special person
can obtain what is necessary
to reach their innermost hopes.
The man that possesses these qualities
is Mr. Gene Wolff.
That is why, Mr. Wolff,
this 1977 Hualapai
is dedicated to you.

Reach for It!

Such a small child
we all once were.
The game to play,
a life to live, so far away.
A smile, a tear,
a cry, a hope,
The search goes on, as
days go by.

Some stop to wonder,
and never move on;
Some think and walk
and continue toward
the sky,
because there is no limit.

It's all in you,
to stride or to halt,
to run away, or to run toward.
Each soul is a miracle,
and to fulfill your purpose
you must reach for your dream.
Reach for it,
come near and near again,
reach for it, and
grasp.

The rays of the sun, reach out, trying to reach the earth.

FADtastic '77!

Natalie Edwards is wearing a fadulous embroidered shirt. Reed Allen's old Ford pick-up is surely an oldie but goodie. Raymond Neil's truck is one of the more up to date styles, with K. C. lights, a roll bar, mag wheels and roaring pipes.

Shermaline Wimberly wears a stylish scarf. Looks as if we took Brad Jordan by surprise. Natalie Edwards, '62 Corvair really adds class to KHS campus. One of the newer fads is personalized license plates, rainbow tape and 5-speeds; shown here by Tami Byam's Celica.

Old trucks, new cars, K-C lights and roll bars, personalized license plates, bumper stickers, roller skates. Hard rock, bad talk, soft songs and rubber thongs.

Fads will come and fads will go, and KHS will always know. What's in, what's out, what's all around, like hair that hangs down by the mounds.

We have fat hair, thin hair, hair that's been both here and there.

Our feet never saw the blues 'cuz we FADulous socks and shoes.

77 was a FADTAS-TIC Year.

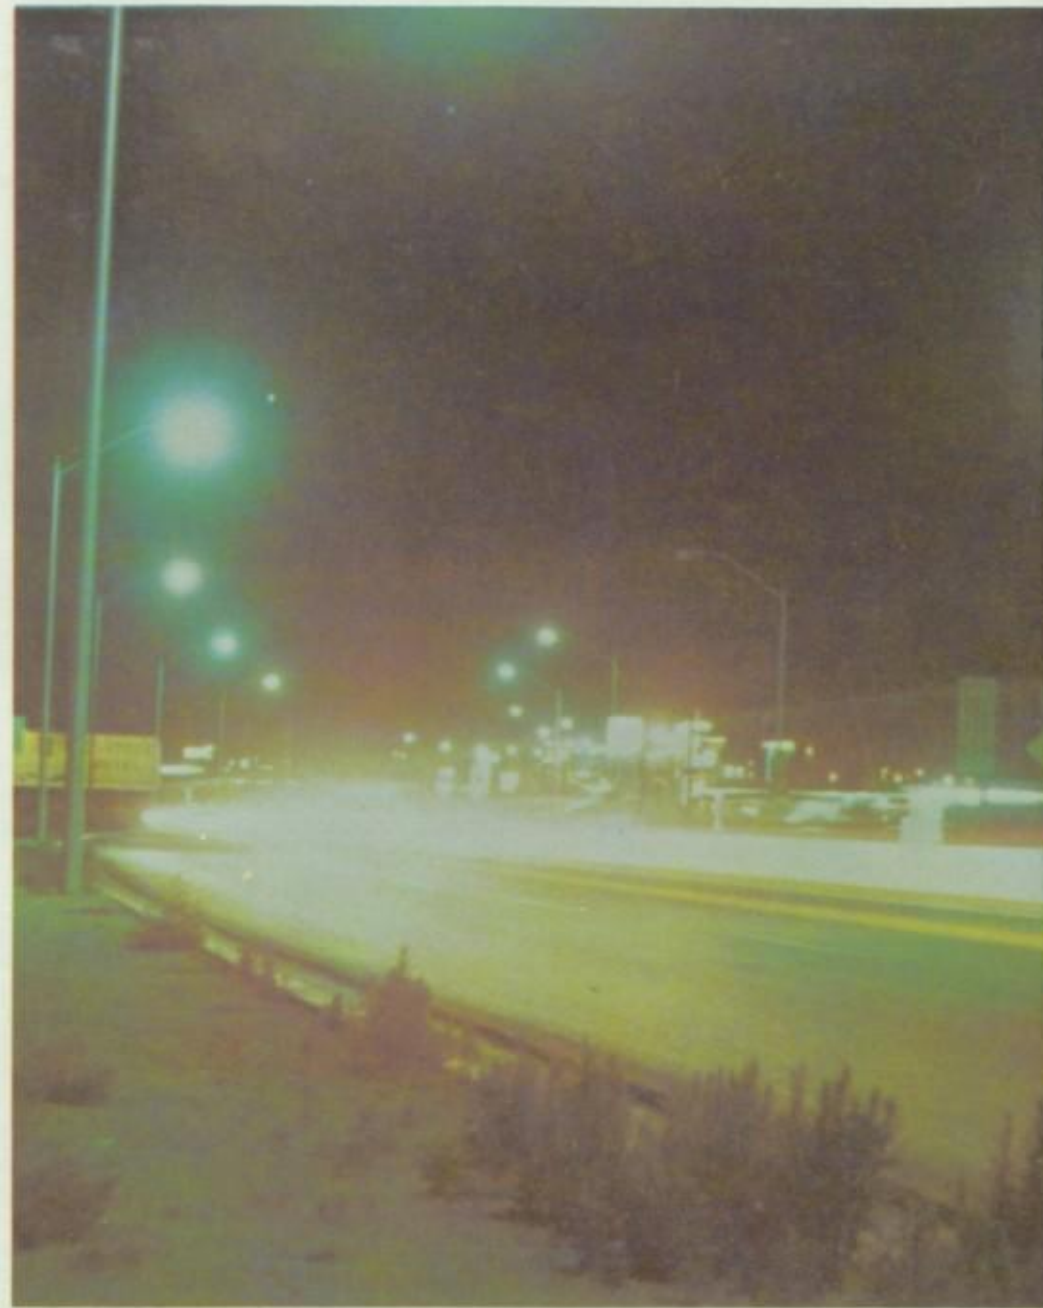

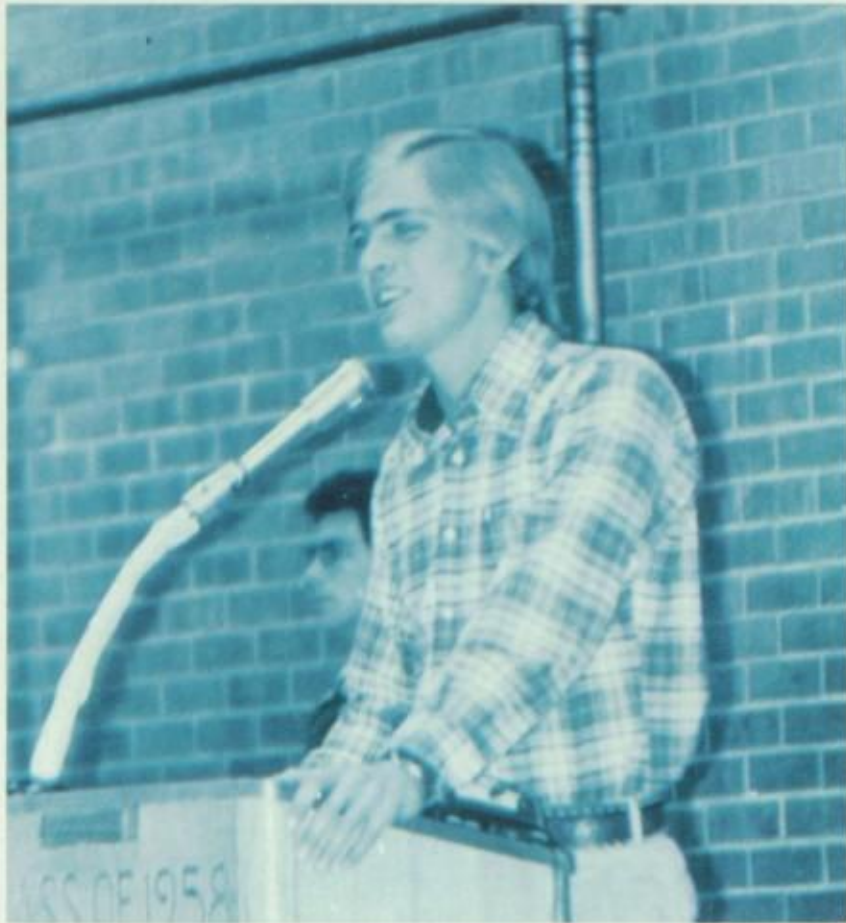

Marty Finch is in style with his Levi shirt and feathered hair. Anne Randell and Lou Burrage are burnt out. Mark Cruse is proud of his sporty Mustang. Good times is another popular fad as shown by Jane Barkhurst.

Sue Moline's hair is at the top of the fad list in everyone's eyes. Miss Colgrove models one of her many fadlous fashions.

Steve Ford Visits School . . .

Steve Ford addresses approximately 600 students in the Kingman High School gymnasium. Ford urged students to get involved in politics.

RIGHT: Highway 66 is the "main-street" of Kingman.

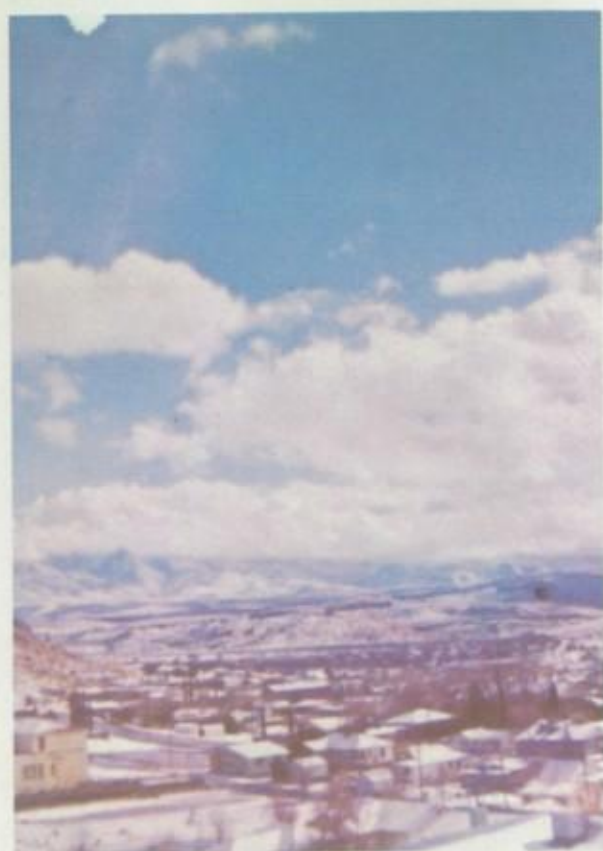

The elections played a big part in community affairs. For the first time, a member of the President's family came to Kingman. Steve Ford, son of President Gerald R. Ford, came to Kingman, campaigning for his father.

The County Fair provides fun and entertainment each year. Touring ghost towns around Kingman is also a favorite pastime. The city government is forever reaching to improve the life of Kingman citizens.

The county fair is almost always a source of fun for Kingman citizens.

and Community

The Ferris Wheel is the center of attraction at any fair.
TOP: The Kingman City Complex is the "house" of most city officials.
LEFT: It's hard to believe that it actually snows in Kingman!

Homecoming 1976 . . .

The football team suffered a disappointing loss, 37-0.

Homecoming 1976, October 4-8 was a different affair than usual. Class cars replaced class floats. Band members replaced football team members as escorts for the queen and her attendants. It proved to be the best Homecoming ever, with the exception of one thing. The football team lost to Snowflake by the score of 37-0.

Student Council decided that float-building was too costly. Each class was allowed to enter five cars in the parade. Clubs were also invited to enter cars. Winning the car competition was FFA.

Culminating the week-long activities was the crowning of Linda Mankowski as Homecoming Queen, 1976.

The band formed a spirit line, and the football team entered through this line.

This window, painted at the Bus Depot, was one of the many windows painted by students at KHS.

a Different Affair

Sophomores came in 3rd in Homecoming Car Decoration, preventing Seniors from finishing better than 4th.

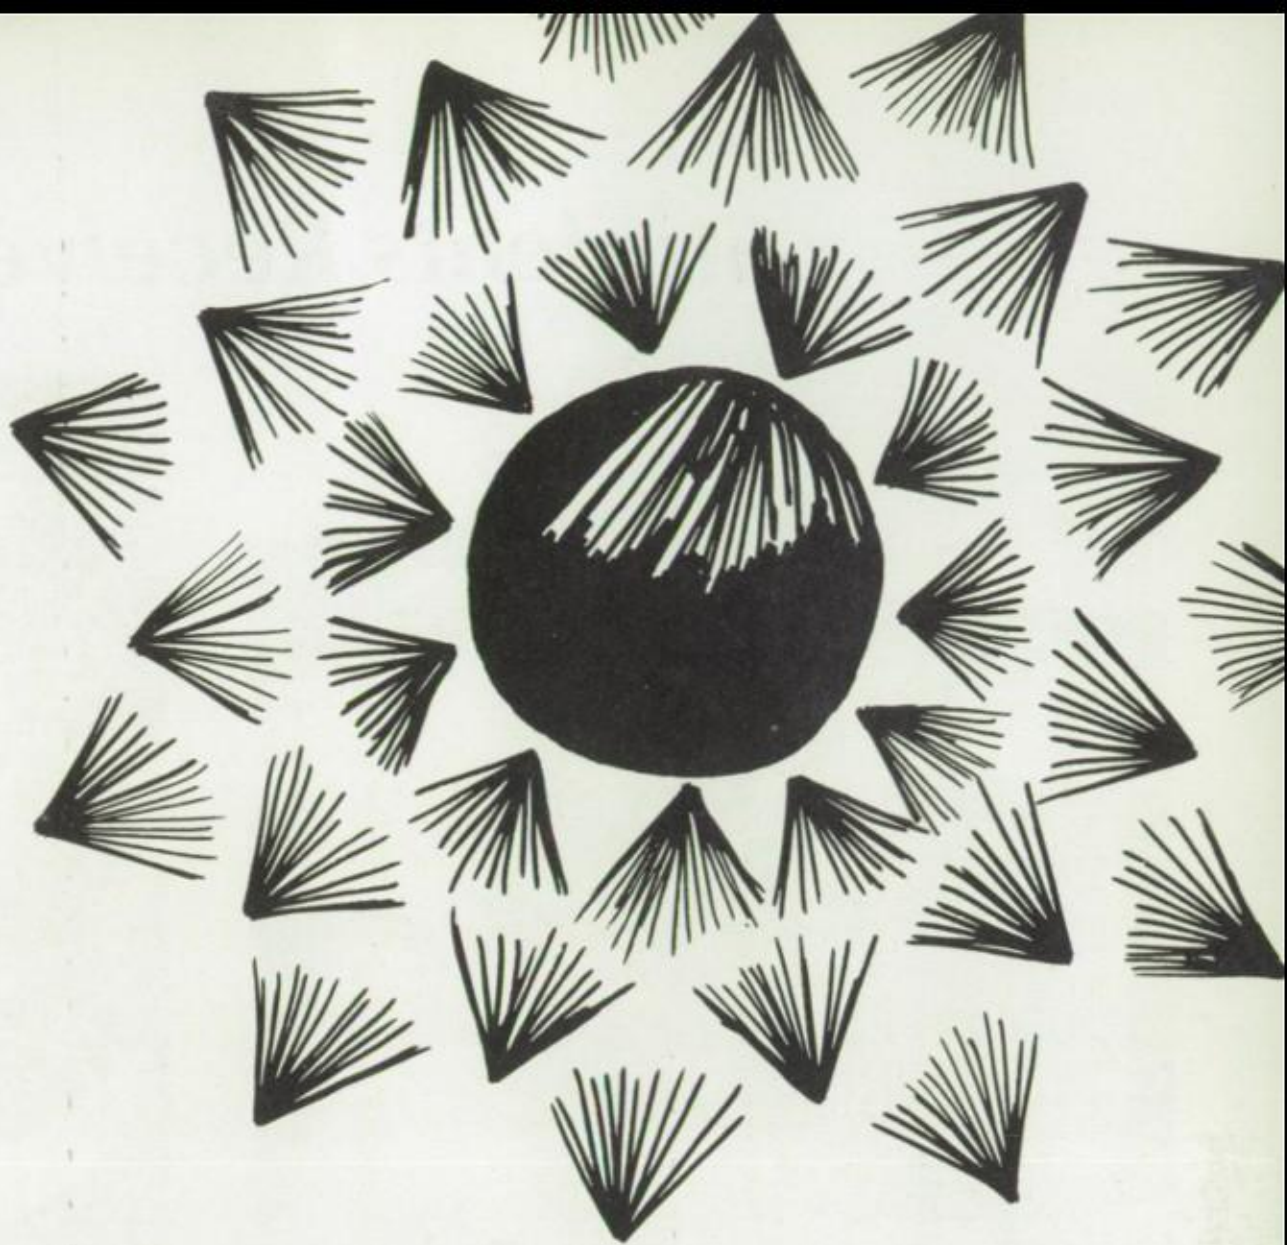

The Kingman High School Marching Band, under the direction of Mr. John Dallabetta, plays "You're a Grand Old Flag" and forms a USA.

GRADUATION

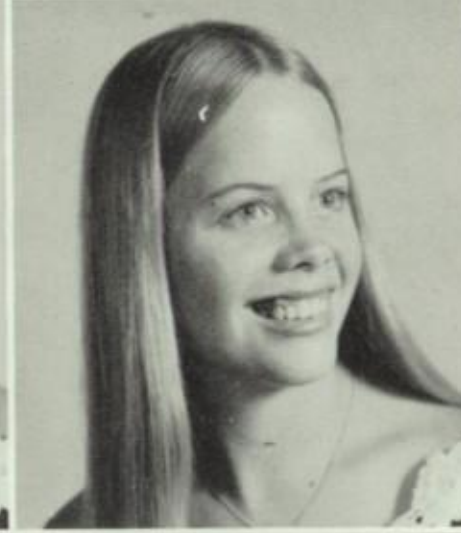

Today the day I graduate,
To this school I come no more.
This, my goal of the last twelve years,
Is what I have been waiting for.
The days were laced with fun and games,
Along with growing up.
I've developed a personality,
I've had to measure up
Not only to tests and teachers,
I had to make it with my peers.
Now that the struggle is over,
I feel like shedding tears.
With the diploma comes a sad thought
Growing inside of me.
My adolescent years are gone.
I must face reality.

Some Seniors are modest, some are not. The Senior section of the annual staff would like to dedicate this page to these 4 bashful seniors!

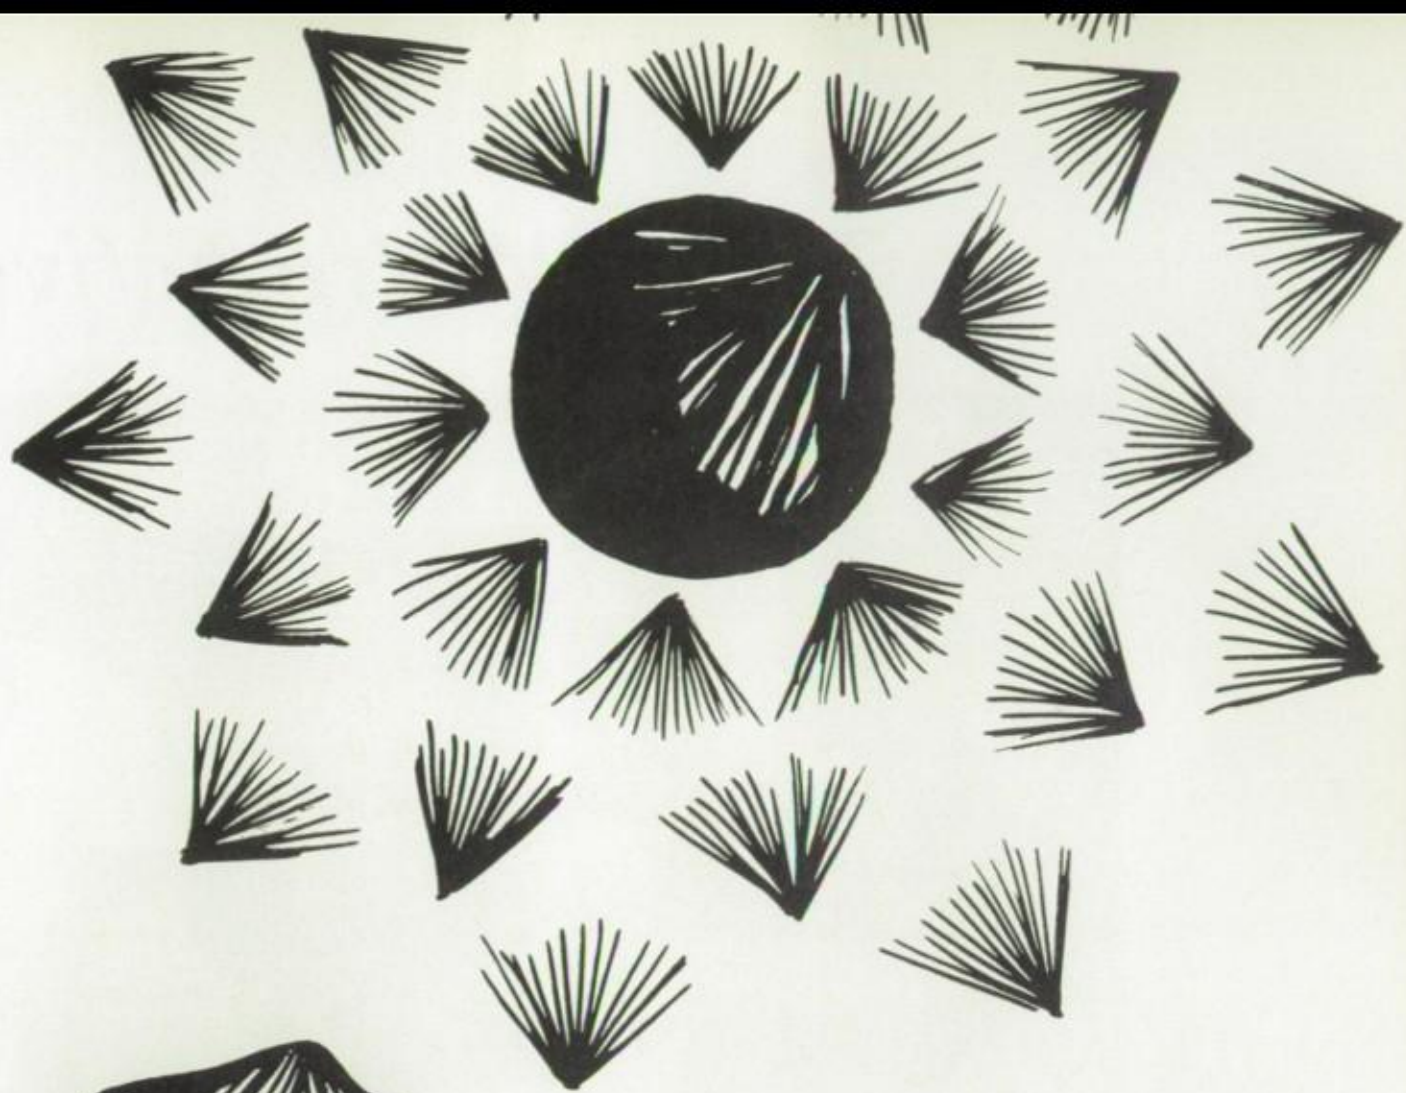

Now We're on Our Way . . .

It is hard to believe that that the class of '77 is actually going to graduate. Seniors were a spirited bunch for their final year at KHS. When it was time for Homecoming many Seniors were down at school decorating the halls. The Seniors showed the most spirit of any class, while decorating the halls. It's amazing to know that "Now We're on Our Way . . ."

Seniors made a large KHS on the "Senior Hall."

Mr. Bartoo, Chairman

The class of 79 showed a great deal of spirit this year. They won the spirit trophy at many pep rally gatherings including pep assemblies, the bon fire, and they also won the spirit chain award for class competition. Although we didn't win every event, we showed great strength and sportsmanship by participating. Just beginning, but watch us grow!

Freshmen '76-'77

The class of '80," being the largest class ever, bounced into K.H.S. with a great deal of enthusiasm. They were new and green to school, but were willing to learn a new routine. They received second place with their decorated 280 Z "The Lobo" for the Homecoming Parade.

The freshman team proved to be fantastic being undefeated for the entire football season. Basketball season has started, there are 27 freshmen on the team. On their first game they beat Havasu by a wide margin but they fell to Needles by one point. Baseball will start in the early spring and we hope they go undefeated.

There was great excitement during election time in October with many slogans and campaign speeches. There was certainly a good group of candidates with the final tabulation of votes being a close one.

The results are as follows:

President Mickey Stewart
Vice-president Jan Cunningham
Secretary Beth Mankowski
Treasurer Lorna Duey
Boys' Representative Floyd Tapia
Girls' Representative Sue Molin

We hope that everyone enjoys their year at K.H.S. and that everyone comes back next year. We, The class of "80" would like to thank our class sponsors and hope that they come back next year too. Have a good summer and see you next year!!!

FRIENDSHIP

I find no rules to friendship;
But I find a solitude of happiness.

I honor her when she is present;
Praise her in her absence;
And cherish her inner most thoughts.

When I summon up remembrance of things in the past;

I remember the sweet silence of life everlasting;
And knowing you will always be there.

I wonder if life will always be of happiness;
And when to expect the sorrow.

It is like dreaming of the future;
And hoping for tomorrow.

I know whether our names, will be forever;
But I'm sure our friendship will.

Keely Luley

FRIENDS

You say that you hate them;
And you really don't care;
But that's when you're mad
And filled with despair.

When summertime came;
And you really had fun;
The friendship was plain;
You were always on the run.

People say you're crazy;
You just laugh.
Your friendship seems hazy;
Then you know that it'll last.

Sometimes you'll wonder;
If it's worth it at all.
Then you know, to hate would be much harder,
The world would go around at a crawl.

Well, you finally have your friend;
And you think they're very special;
All you can hope is that it'll never end and
Your friendships are all but casual.

Nancy Nogales

We are busy scholars, but we still have time for activities.

Sports-oriented Bob Shupe finds a little time to study.

Debbie Burden and Arnold DeMarco were part of the cast of *Harvey*.

September Makes an Early Start

Blaine Acton, Tom Hafley and Paul Essing seem to be enjoying their first month of school

The 76-77 school year started early this year. School was officially in session during the last week of August due to a late Labor Day.

There were many new faces around school as well as many new changes in the administration. All changes were for the best we hope!

Here is a hungry lady who was present at the Bulldog Booster Barbeque?

Miss Yvonne Green naps, on the bus coming home, after a tiresome Volleyball trip.

Boo! Mr. Russo is going to get you.

Steve Ford leaves after a fine speech.

No, this is not a new fad. This is Beth Mankowski and her friends on Freak Friday!

Here is one of the Homecoming Parade entries. In this case it is the Sophomore Class truck.

October Shows Up With a Ford!

Mr. Russo had quite a time trying to scare everyone on "Freak Friday." In this case it was Rex Vance and Mike Rubio.

Linda Mankowski, Tina Metzger, Jane Barkhurst, Shelley Yokley, and Maxine Hart were the candidates for Homecoming queen. Linda Mankowski was crowned Homecoming queen.

Kingman High was fortunate enough to have Steve Ford here to campaign for his father, Gerald Ford. Steve was a very nice-looking young man who made a lasting impression on many people (especially the young ladies).

There were many other activities going on at KHS this month. There were, of course, the annual preparations for Homecoming. The windows of the town were painted with the Bulldog's upcoming festivities, there was the annual Homecoming parade, and to round it all up, the crowning of Linda Mankowski, our Homecoming queen at the game Homecoming night.

Dr. Thomas McCraley, a graduate of Kingman High School, spoke at the annual initiation of NHS members.

RIGHT: These are some of the sophomores who were recognized for their grade average of 1,5 or better.

BELOW: Here are the newly appointed members of NHS taking the oath to uphold a grade average of straight I's???

November Brings Blood Drive

November started off with the initiation of new NHS members. The sophomores who carried a 1.5 grade average or better were also recognized.

Key Club sponsored a blood drive. There were many willing donors.

The month of November carried many holidays so the student didn't work too hard but then neither did the teachers! Everyone's favorite excuse was, "It's too cold."

LEFT: Mr. Hanley kept warm pursuing one of his many duties.

Barbara Daniels was one of the willing donors who gave blood for the Key Club cause. Mr. Cunningham makes sure the hole that they punched in his arm isn't giving an everlasting flow of blood. It'll be O.K. Mr. Cunningham!

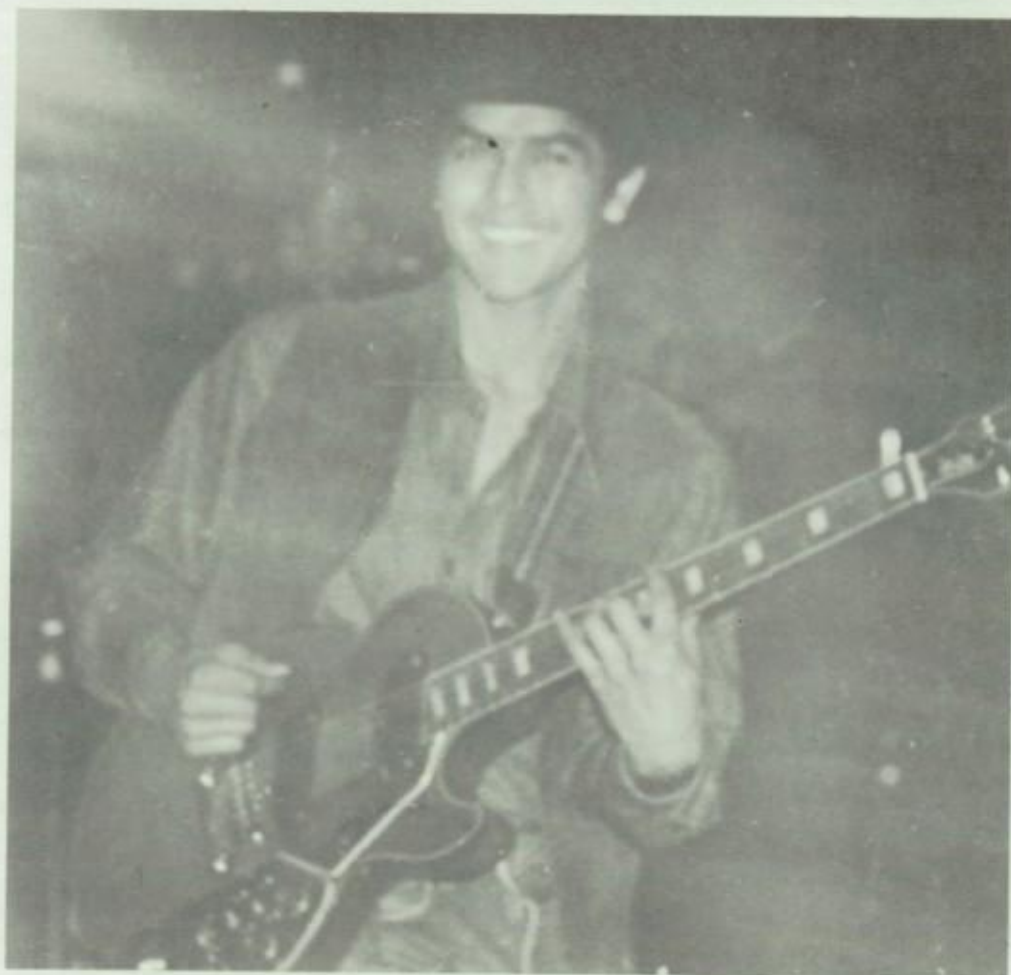

Christmas Bustle

The Christmas spirit invaded the halls of KHS early in December. This spirit was shown throughout many of the club sponsored activities such as S-Cub's selling carnations, the Freshman class holding a "guess how many marbles are in the jar" contest, and the Spanish club's raffling off a hundred dollar bill. Many other clubs were, also, actively involved during the Christmas season. December was certainly a busy month.

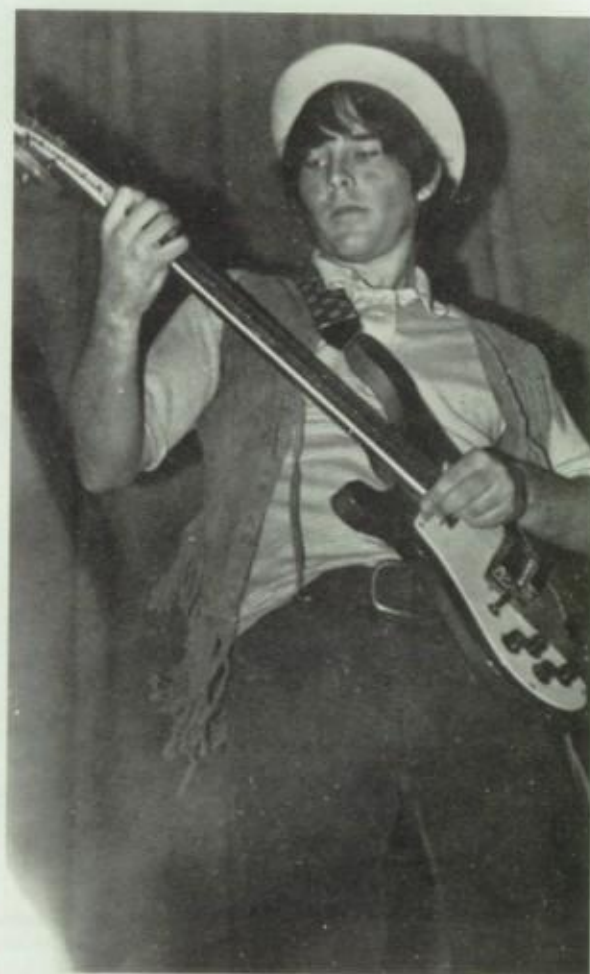

MEMBERS OF THE "LIGHT BRIGADE" WERE: Chris Rouseville, Mike Alvarado, Ronny Commisso, Joe Murillo, and David Hett. *NOT PICTURED:* Joey Commisso.

Joe Murillo gives a big grin for the pretty photographer.

Chris Rouseville puts on a show!

Hot Rock Warmed January

Ronny Commisso was lead singer as well as playing outstanding guitar in the musical group.

This January turned out with one of the coldest winters in the history of the United States. This was one winter that the desert urchins were very glad to be a part of the desert scene.

Despite the cold weather, the student body kept active. We were fortunate enough to take in a live performance by the "Light Brigade."

All members of this group, except David Hett and Joe Commisso, were currently enrolled at KHS. Shortly after their performance, however, Ronny Commisso was honored with an early graduation and promptly relinquished his civilian status for an Army uniform.

Robin Hopely, Katie Graves, Karen Dorner and Cheryl Fogelberg do a gypsy dance in the Senior Class Play "Seven Nuns at Las Vegas." **LOWER LEFT:** When yearbook deadlines rolled around Co-editor Tami Byam got extremely frustrated and hibernated beneath a desk. **LOWER RIGHT:** Annual photographers have to get in some uncomfortable positions as shown here by Robin Hopely.

Concert Choir sponsored a Sadie Hawkins dance this year. The skit they put on as a means of advertisement was very effective. Members of the cast were Bob Shupe, Kurtis Manley, Melvin Wiley, Ginia Gonzales, Bobbi Daniels, Eddy Hawkins, and Laura Inman.

The month of February was closer to being spring than winter. The warm weather made spirits soar and as a result the attendance at many activities was superior.

The turnout at the Sadie Hawkins dance, sponsored by Concert Choir, was excellent. Jeffery Jee Whiz, a local DJ was in charge of the record selection. Pictures were taken upon request and forfeiture of one dollar.

Valentines day was a success with the selling of carnations and boxes of candy. There were many delighted girls on campus, they may have pretended to be surprised or embarrassed but deep down, we know, their hearts were doing flip-flops of joy.

The senior Class held their annual class play February 17 and 18. This year they presented the comedy "Seven Nuns in Las Vegas."

"Kingman was once again lucky enough to have a public appearance by a celebrity. In this case it was two celebrities, Valerie Harper and Anthony Zerbe. They performed the "Dear Liar" on February 20 and 21 and did an excellent job.

The March Mirage

Carla Murillo lends a cheerful hand.

Alan Hart and Mickey Mathieson take it easy.

Mickey Mathieson, John Mankowski, Mr. Ray Peni, Steve Cramer, Carl Osterman, David Fuller, Rex Vance and their trusty chart give a pose of intelligence.

Studies are important, but most should have time for extra-curricular activities.

He is assisted by Jon Longoria, Vice President; Anne Randall, Secretary; and Nancy Powers, Treasurer.

The Student Council was extremely busy this year. They worked concession stands, raffled off a steak dinner, and made sure all pep assemblies ran smoothly. The Student Council deserves a lot of applause for their outstanding work.

Vocational Industrial Clubs of America (VICA) is a very busy club. They sold soap and held several food drives to give needy families food baskets. Mr. Carl Greer, sponsor, (right) stated, "VICA is an opportunity to work with the public to gain working knowledge."

VICA Members are: *BACK:* Rusty Cole, Bill Hart, Randy Collins, Dave Herron, Blaine Acton, Daryle Griewe, Terry Escoffier, and Darrell Schmitz. *FRONT:* Bill Davis, Fabian Nogales, Gary Glenn, Darrell Grimes, Charles Shores, and Wayne Welch.

Distributive Education Clubs of America (DECA) was an active club this year. Sponsored by Miss Julie Trump, club members held a job that was associated in some way with marketing. DECA members attended several conventions, sold many things and were always in charge of the concession stand.

Team Has Disappointing Season

Injuries to key players; a rugged schedule, and the uncertainties and innovations which are natural any-time a change in staff occurs, all added up to a dismal season for the Bulldog football team. New head coach Lin Parker known to the fans and players as "Bearcat" provided thrills and excitement even though all games had to be forfeited due to overlooked player ineligibilities.

The gains made during the season were impressive with all the players showing constant improvement. Consistent team spirit was always evident as was a very involved coaching staff.

A rebuilding year is always difficult at best and the 1976 season was no exception. The future looks bright with many returning lettermen as well as a host of Jayvees and freshmen to bolster any weak areas. Overall, it was an exciting year.

The 1976-77 Cross Country was 2 and 3 in dual competition. Kingman split with Parker, taking the home meet and losing away. Kingman's record at home against Lake Havasu and Parker was our only wins. Kingman lost to Coconino and to Snowflake at home.

In Invitational competition the Kingman team placed in the last quarter of the teams participating, however in individual competition Kingman's Raymond Karr consistently placed in the top 10 runners. Raymond lead Kingman with 4 first place finishes and 2 second place finishes. Raymond was rewarded All-Conference honors for fine efforts.

This was the first season for Kingman Girls' Cross Country. Being the first season there were only 2 dual meets for the girls. Kingman girls came up on the short end of both meets but kept their poise.

At Divisional the girls earned 4th place. They were lead by All Conference runner Nancy Bartoo, who finished 2nd at Divisional and 3rd in State Competition.

The 76-77 season saw a young Kingman team entering into competition. The Kingman squad had only 1 senior, 5 juniors, and the rest of the team were freshmen. You can expect a strong team in the future.

*Time Now,
Is our only weapon.
Alone
Each of us.
It is our
Own choice
Reach your dream;
Stretch higher and

It is there,

Reach For It

The 1977 Hualapai Staff would like to thank Mr. William Sisco; Mr. Loren Wilson; Mr. Ben Wilhite; and the many photographers; the people who donated their time to our staff. Without them, the 1977 Hualapai would not have been possible.

Many thanks also to Debbie Fry who did all the art in our book, and to Sherry Wheatley who did the poetry.

The Yearbook staff hopes that you enjoy this 1977 Hualapai, and that you get our message: "REACH FOR IT."
